By confirming the Order the Supplier expressly acknowledges and accepts the effective General Procurement Conditions of VTAE.

The Supplier shall be deemed to have accepted the Offer if it does not confirm the Order within 5 working days of receipt thereof or if it performs any of its obligations specified in the Order.

- 2.4. The signature of any delivery document by or on behalf of VTAE shall not be deemed to constitute qualitative and/or quantitative acceptance of the Products. If the Supplier has legitimate grounds to presume at any time that it will be unable to deliver/perform the Product/Service by the agreed deadline, it shall promptly notify VTAE of the reason or reasons for the delay. Such notification shall not release the Supplier from performance of its obligations arising for missing the delivery or performance deadline.
